

MARIKANA COMMISSION APPOINTS A NEW SPOKESPERSON

The Marikana Commission of Inquiry has appointed a new spokesperson, Mr Tshepo Mahlangu to be responsible for all media and communication related activities.

Mr Mahlangu takes over from Advocate Kevin Malunga who has since joined the Office of the Public Protector as deputy to Advocate Thuli Madonsela.

“Mr Mahlangu brings a lot of experience having worked in the marketing and communications environment working with journalists both locally and internationally as a media liaison officer. His appointment will certainly add a lot value to the Commission working directly with me as well as the Commission’s Secretariat, Advocate Phuti Setati. We wish him success in his new role,” says the Chair of the Commission, Honourable Judge Ian Farlam.
